Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 09 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling cold and windy. Gales along the south coast.

Today:
A frosty start, then a largely dry but cloudy day with some sunny spells. Wintry showers are possible along the south coast throughout, where winds will also strengthen, with gales in places. Feeling very cold with brisk winds. Maximum temperature 2 deg C (36 deg F).

Tonight:
Remaining largely dry through the evening and overnight, but further isolated showers over southern coasts remain possible. Feeling very cold with strong winds, and further frost likely. Minimum temperature -2 deg C (28 deg F).

Wednesday:
After a frosty start, it will be a largely dry day with patchy cloud and plenty of sunny spells. Occasional showers possible along southern coasts. Feeling cold. Maximum temperature 4 deg C (39 deg F).

Outlook for Thursday to Saturday:
Largely dry Thursday but showers, some wintry, along southern coasts, and possible coastal gales. Further wintry showers and coastal gales Friday and Saturday. Feeling cold throughout, with overnight frosts.
